

# COVID-19 Multilingual Information Portal

operated by COVID-19 Multilingual Support Project

This website provides information related to COVID-19 for foreigners staying in Japan.

\*The information mainly focuses on the Greater Tokyo area.

## The website is about...

- ✓ Steps to protect yourself from disease
- ✓ Steps to take when you feel sick
- ✓ Changes in VISA and other immigration process
- ✓ Financial supports
- ✓ Support for workers
- ✓ ... and other useful information on our daily lives

More languages  
will be updated  
soon!

**Check the website from this QR code. The articles are currently available in English and in simple Japanese.**
